All parents and students are required to abide by the stated rules and be governed by the intended spirit of the Handbook. Compliance with the Handbook is the criteria required for continued enrollment in Dominion Academy of Dayton (DA). If there are any questions concerning its contents, please contact the Head of School.

## Non-discriminatory statement

The Dominion Academy of Dayton school recruits and admits students of any race, color or ethnic origins to all its rights, privileges, programs and activities. In addition, the school will not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies and employment, scholarship and loan programs, and athletic and other school administered programs.

The Dominion Academy of Dayton school will not discriminate on the basis of race, color or ethnic origin in the hiring of its certified or non-certified personnel.

## Applying for Admission to Dominion Academy

If you are interested in applying for admission to Dominion Academy of Dayton, please note that we have adopted an admissions policy that opens the school to families who are like-minded spiritually, who are supportive of our philosophy, objectives, and standards of education, and whose children meet our enrollment standards. Our purpose is to serve families who desire not simply a private education, but a distinctively Christian education for their children.

To be accepted as a student at Dominion Academy, at least one of the student's parents/guardians or host parents/guardians must be an active member in good standing of a local Christian congregation that meets in a physical location weekly.

Before applying for admission to our school, please review this Handbook; it will introduce you to many of the school's policies, procedures, and expectations for both parents and students.

The first several pages of the Handbook explain our religious purpose, mission, and beliefs. This school understands, believes, teaches, and practices the teachings of Holy Scripture according to ancient, orthodox, catholic, and Anglican traditions. If you do not agree with our religious mission and beliefs, enrolling your child in our school will likely cause him or her confusion.

For example, if a question regarding biblical lifestyles arises in assembly or your child's classroom, the teacher will answer from a biblical viewpoint consistent with our mission and belief statement. If your beliefs and lifestyle choices are not in agreement with our doctrinal stance, that answer will likely create conflict in your child's heart and mind. This internal conflict could drive a wedge between you and your child, cause your child to negatively judge you as a parent, or force your child to choose between our teaching and what he or she learns at home.

If you are in agreement with our philosophy of education, our understanding of biblical truth, our commitment to express them in a school environment and to live them out, and are comfortable with things which may differ from your background and tradition, this school will complement the beliefs and ideals your child is taught at home. We look forward to partnering with you to educate your child in God's truth.

## Identity and Purpose

Dominion Academy of Dayton is a ministry of Christ the King Anglican Church. For more about Anglicanism, visit Christ the King's website at <http://www.ckrec.org/>.

Dominion Academy of Dayton is a classical Christian school providing a college preparatory education based on the Bible, reason, and tradition. We strive to be an academic community which prizes learning well to love well.

*Christian:* While rooted in Anglicanism as a ministry of Christ the King Anglican Church, our students and teachers come from many other Christian traditions— Anglican, Reformed, Roman Catholic, Evangelical, and Eastern Orthodox. Unified by our common love for the Lord and commitment to creedal essentials, we strive to faithfully pass on the Christian intellectual tradition to the next generation.

*Classical:* The classical vision is summed up in a proper love of the True, the Good, and the Beautiful. It is a well-balanced education oriented around cultivating wisdom and virtue. Our students are rooted in the liberal arts, learning in dialogue with primary sources and the great ideas of western and non-western civilization. We believe that a classical education dynamically trains a student's character and imagination for the challenges of the future.

*College-Preparatory:* Since history's great ideas should naturally lead to engaging with today's opportunities, we are relentlessly practical and use our experience to prepare students for life after high school. Our PSAT, ACT, and SAT scores are consistently very high, due to rigorous test preparation and teachers who guide students according to their individual needs. Our collegiate-model schedule encourages student initiative and builds self discipline. Most graduates receive full or part time tuition scholarships to the colleges they choose to attend.

### **Statement of Faith**

We believe in the historic faith as found in the Nicene, Apostles', and Athanasian Creeds.

The Bible is God's Word. It is uniquely inspired, infallible, and the only trustworthy standard by which to judge all human endeavors, faith, and conduct.

We believe that by God's wise and loving design and decree, sexual relations should take place only between a man and a woman who are joined in the holy sacrament of marriage; that a man and a woman are equal in value before the Lord, but by God's wise and loving design and decree fill different roles and responsibilities in marriage and the church; and, that human life is sacred from the moment of conception until natural death and that the abridgement or taking of human life is a prerogative belonging to God alone.

### **Marriage, Gender, and Sexuality**

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Genesis 1:26-27, 2:19-25.)

Rejection of one's biological gender is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Genesis 2:18-25.)

We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Corinthians 6:18; 7:2-5; Hebrews 13:4.)

We believe that intimate sexual activity is an 'act of marriage' and that God has commanded no such activity be engaged in outside of a marriage covenant between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matthew 15:18-20; 1 Corinthians 6:9-10.)

We believe that in order to preserve the function and integrity of Dominion Academy of Dayton as a ministry of the local Body of Christ and the Reformed Episcopal Church, and to provide a biblical role model to Dominion Academy's members and the community, it is imperative that all persons employed by Dominion Academy of Dayton in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality. (Matthew 5:16; Philippians 2:14-16; 1 Thessalonians 5:22.)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Romans 10:9-10; 1 Corinthians 6:9-11.)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Dominion Academy of Dayton.

In accordance with the teaching of Scripture, the ecclesiastical standards of the Reformed Episcopal Church, and the clear and express teaching of her Bishops:

- The use of restrooms, locker rooms, and changing facilities will conform with the student's/staff member's biological sex.
- Students/Staff are expected to refrain from all intimate sexual conduct outside the union of one man and one woman in Holy Matrimony.
- Failure to comply with these expected standards will subject the student/staff to potential disciplinary action up to and including expulsion or dismissal.
- Students in a leadership capacity must not advocate for or claim to adhere to standards or positions conflicting with this statement.

## General Policies

### **Admissions Policy**

Dominion Academy of Dayton exists to offer a classical Christian education in a Christian environment. Students will be carefully selected in order to maintain high standards. Applications will be accepted on the basis of available space and approval of Dominion Academy of Dayton staff. We reserve the right to deny enrollment to any applicant at the discretion of Dominion Academy of Dayton School Board. Such denial will never be on the basis of race, color, or national origin.

**Church Attendance Policy:** To be accepted as a student at Dominion Academy, at least one of the student's parents/guardians or host parents/guardians must be an active member in good standing of a local Christian congregation that meets in a physical location weekly.

**Students with IEPs:** Dominion Academy does not employ the services of trained special needs instructors, therefore we do not have special needs educational programs with services that provide for Individualized Education Plans (IEP). We do offer the services of private tutors for improving math and reading skills. We also have a trained and certified instructor in the Orton Gillingham method of phonics and reading on staff and her services are contracted at an hourly rate, as well. On a case-by-case basis, we may be able to accommodate students with limited medical IEPs (e.g. allergies, diabetes, etc.). Parents are required to notify administration of any pre-existing IEPs during the admissions process.

**Placement Testing:** It is Dominion Academy's practice to administer placement tests for students entering school. We offer diagnostic tests in Language Arts and math. Furthermore, if a student is placed in an upper level composition or grammar class and after 3 to 4 weeks is struggling to learn due to lack of fundamentals, we reserve the right to re-assign them to a lower level course in the same subject.

Below are some of the standards that we will use when evaluating prospective students:

- Spiritual Considerations
  - Personal Christian commitment of parents and student.
  - The willingness of parents and student to be supportive of the school's Christian philosophy of education.
  - Willingness of parents and student to support the administration and faculty in carrying out the goals and programs of the school.
- Behavioral Considerations
  - History of acceptable citizenship in previous school experience.
  - Agreement of parents and student to abide by the behavior standards established by DA.
  - History of excessive absences from previous educational institutions.
- Academic Considerations
  - Documented record of acceptable grades in previous school experience.
  - Acceptable scores on achievement tests.
- Personal Considerations
  - Student's special interests, talents, and skills.

### **Procedures for Evaluating and Admitting New Applicants to Dominion Academy**

Dominion Academy practices rolling admissions. We will review completed applications on a rolling basis. The following procedures outline the steps taken when new applicants submit their application and application fee requesting enrollment in Dominion Academy:

- (1) Administrative staff of the applicant family's home congregation will be contacted to verify attendance and standing. Once standing is verified by the applicant's home church administration, the application process can proceed.
- (2) The applicant will typically NOT be scheduled for an assessment until the following are received and evaluated by the academic directors:  
brief
  - a. Grade report from previous school
  - b. Standardized test results from previous school (if the student does not have a standardized test score, the family can set up an appointment to take the Woodcock Johnson test with Ann Skolik by contacting her at 937-291-7201)
  - c. Any IEPs or special reports from the previous school
- (3) Once documentation from the previous school is received, the student will be scheduled for an in house assessment test. Once it is administered and scored, parents/guardians will be contacted for a brief phone interview.
- (4) Based upon the student's in house assessment, previous school documentation, and discussion with parents and student, Academic directors and Head of School will make a recommendation regarding admittance and grade level.

- (5) The School Administrator will then contact the family to schedule a Head of School meeting with the students and one or more parents. After that meeting, a formal letter will then be given to the family concerning the student's admissions status.
- (6) Once a student has been accepted, the family can contact the school office to schedule an enrollment appointment.

### **Yearly Re-enrollment Policies**

Student enrollment will be evaluated on a yearly basis. Those students who continue to not meet performance standards behaviorally or academically will be placed on **Provisional Status**. Three criteria will be used to evaluate Provisional Status:

- Grade averages in any subject below 70%
- Reductions in your students' behavioral notifications (pink/yellow slips)
- Meeting or improving yearly performance standards

Families will be notified with a letter if a student is placed on Provisional Status and given the opportunity to improve their grades and behavior in order to be registered for the upcoming school year. In most cases, re-enrollment status should be determined before the end of the fourth quarter.

### **Volunteer Hours**

Every family is required to donate volunteer hours to Dominion Academy of Dayton each school year OR pay the Volunteer Waiver Fee.

Each family must commit to choose either

The Kingdom of God is righteousness, peace, and joy in the Holy Spirit. To do my part in bringing the blessings of Jesus' reign to the Dominion Academy community, by the grace of God I will...

1. conduct myself with virtue, valour, honour, and integrity\*.
2. seek always to do unto others as I would have them do unto me.
3. not lie, steal, cheat, nor tolerate it when others do.
4. recognize God's delegated authorities in my life, give honour to whom honour is due, submission to whom submission is due, and be thankful for what gifts He will bring to me through them.
5. take responsibility for my actions and those of my fellow students by reporting any infraction of the Student Honor Code to the administration.

When I fail in any of these things knowingly or unknowingly, I will be open to godly rebuke and accept discipline without complaining. I will take initiative to confess, repent, and make restitution for wrongs committed.

When wronged by another I will not gossip, slander, nor seek to ruin another person's reputation in the eyes of others. I will settle things according to the Word of God, with humility and patience. I will forgive as I hope to be forgiven.

All of this I will do with the means God provides and strength from heaven, the Lord being my helper.

\*virtue – virtue is moral excellence.

\*valour – boldness and determination in facing trouble, courage and bravery especially in battle.

\*honour – showing great respect, regard, and esteem for another

\*integrity – soundness of moral character reflected in all facets of life.

Failure to report infractions of the Honor Code may result in disciplinary action.

- Students should not wear jewelry or accessories that others would find offensive.

**Friday Dress Code**

Students must follow all dress code requirements on Fridays but may wear DA t-shirts with approved designs for Friday classes and labs. This includes any past or present athletic uniform shirts, award-winning DA image or old or new logo shirts and approved spirit wear.

**Students with chronic dress code violations will be given Pink Slips and the appropriate consequences for the Pink Slips. If clothing is exceptionally inappropriate, the students will have to call home, and parents will need to bring appropriate clothing in order for the student to return to classes.**

# Discipline Procedures

Dominion Academy of Dayton is designed to provide an outstanding education to self-disciplined young men and women. Because Dominion Academy relies on concentrated classes and considerable student preparation outside of class, students who lack self-discipline will find success difficult and are advised to seek other home education options or a traditional school setting until they gain self-discipline. Students must be prepared, attentive, and free from distraction to benefit from this educational opportunity. Each Dominion Academy student is expected to read and know the following discipline policies to ensure success for everyone. We will firmly enforce these to maintain order and discipline within the school.

## **Pink Slips**

A **Pink Slip** is a negative character slip that is given for major and minor infractions. An email is sent to the parent through our FACTS computer system. These notifications become a permanent part of the student's files. A sample pink slip can be seen at the end of this handbook.

The Pink Slip serves two purposes: **(1)** To make the student accountable for the negative character trait by notifying the school office and parents of the incident; **(2)** To provide restitution to the school staff or faculty member that had to handle the incident. The Head of School manages restitution.

## **Major/Minor Infractions**

For **Minor** infractions, the student is given an appropriate consequence, monitored by faculty or staff.

For **Major** infractions: The student can be given a suspension, receive a major disciplinary action, or be expelled. **Major infractions include but are not limited to:** drug use, drinking alcohol, smoking, fighting, intense swearing, blasphemy, theft, unsafe criminal activity, serious disrespect of DA faculty, offensive insults of DA students, lying to DA faculty, cheating on any exam or class assignment, destruction of school property.

## **Yellow Slips**

Yellow slips are given when a student has either not brought homework, not completed homework, or not brought other appropriate materials to class. A sample yellow slip can be seen in the Appendix.

## **Blue Slips**

Blue slips are issued when a student has demonstrated excellent behavior. A sample blue slip can be seen in the Appendix.

## **Three Suspensions for Major Infractions**

The DA School Board and Administration will form a **Discipline Review Board (Academic Director, Administration, and DA School Board)** in the event of a third suspension. The convening of a **Disciplinary Review Board** is at the discretion of the school board. At that time, the student's continued enrollment at DA will be considered. The Administration will provide a written report and recommendations to the DA School Board, and the Pastor and Parish Council of Christ the King Anglican Church. The final decision regarding a student's enrollment status will ultimately be decided by these entities. The convening of a Disciplinary Review Board is at the discretion of the school board.

**Weapons**

Weapons and items that could be used or viewed as weapons, including toy weapons, are not permitted. This includes, but is not limited to: guns, pocket knives larger than fingernail clippers, long scissors, knife-like letter openers, box cutters, and so on, based on the judgment of staff. Such items will be confiscated and returned on request to a parent or guardian. Willful, menacing, aggravated, or repeated violation is subject to disciplinary action. Students who may need to bring a weapon-like prop for a school presentation of any kind must receive special permission from the Administration and abide by the conditions and limitations of any such permission that may be received.

**Persistent problems**

Chronic disobedience or disruptions will result in dismissal from individual classes or possible dismissal from the school. Before dismissal is considered, parents and students may be required to attend a Disciplinary Review Board meeting . The following are grounds for permanent dismissal: Excessive absenteeism, chronic behavior problems, prolonged attitude problems, lack of cooperation with Dominion Academy of Dayton policies, ongoing failure to meet academic goals or grade averages, reflecting a lack of discipline and/or initiative.

**Appeal Process**

If parents wish to appeal a disciplinary action taken by the Administration and/or DA School Board, they may provide a written appeal to the Administration within two weeks of being notified of the incident.

# Academic Policies

## Transferring Credits

Anyone requesting a Transfer of Credits should fill out the Credit Transfer Form (obtainable on the [Dominion website](#) or in the school office) and take the \$100 end of year test to count individual classes as DA credit.

- Homeschoolers transferring in as high schoolers must create their own transcript to transfer it into Dominion with a \$25 transfer fee. These classes will not be counted as Dominion classes unless the Transfer of Credits process is undergone.
- Homeschooled students desiring to change their student status to full-time in order to seek a Dominion Academy diploma MUST register as a full-time DA student by the first semester of their junior year. It is *not* possible for a student to complete all credits required for DA graduation in less than two full academic school years.
- Seniors transferring in from their previous Christian schools may be able to graduate from DA by taking Worldview if having taken at least two Bible classes from their Christian school
- Transfer credits (other than Bible) are subject to approval by the academic director. Seniors who wish to transfer credits in order to graduate must have the Transfer Request forms submitted no later than the end of the first semester of their senior year.
- Transfer students cumulative grade point averages will be converted on the Dominion Academy grading scale published in our Handbook and course description catalogs.
- Any student not taking all core classes at Dominion Academy shall be ineligible for consideration as Valedictorian/Salutatorian. This means that CCP courses taken at Sinclair or any other institution other than Dominion Academy are not eligible for this designation.

## Dominion Academy Homeschool Connections

If families decide to enroll part-time at Dominion Academy and complete some of their high school course work at home they may do so under Dominion Academy's ***Homeschool Connections***. These policies govern *Homeschool Connection* status:

- Dominion Academy *will* issue semester report cards but is not permitted as a state charter school to issue transcripts.
- Homeschool Connection students *may* participate in National Honor Society (if they meet the qualifications for membership), but MUST take a minimum of 3 academic classes at DA.
- Homeschool Connections students are invited to participate in the Dominion Academy Senior Graduation Ball, but they may not participate in the graduation ceremony as a Dominion Academy graduate.

## CCP Classes

College Credit Plus (CCP) Program - College Credit Plus is a program mandated by the State of Ohio in the *Ohio Revised Code*. As a K-12 school in the State of Ohio, Dominion Academy is required to participate in this program. Students apply for and are awarded a number of college credits to be used at participating colleges and universities in the Dayton area. The number of college credits awarded per year varies based on the number of funds the State of Ohio allocates for this program and how many students register to receive these credits. Dominion Academy offers a number of College Credit Plus classes on our own campus (See Academic Director for the list of classes).

There are three methods by which students complete college credits: online courses offered by local colleges/universities, classes at the campuses of local colleges/universities or coursework offered by CCP-certified instructors teaching those classes at Dominion Academy. Dominion Academy is *required* by law to offer a CCP informational meeting to inform high school students of the details of the CCP program by February each year. Notification of the scheduled meeting will be advertised through the DA newsletter. The student **MUST** register with the state to participate by April 1st each year for classes to be taken the following school year. The State of Ohio will inform students sometime after April 1st of the number of classes they are awarded for the next academic year. Any student qualifying to take CCP classes through Dominion Academy must be a full time student (five classes or more), according to Ohio regulations.

### Notifying the Local School District

Dominion Academy is recognized by the Ohio Department of Education as a chartered non-public school. We notify the school districts only of full-time students.

Therefore, if your student is enrolled full-time in Dominion Academy, you must provide the school office with your local school district's name and address. Dominion Academy will notify your school district that your student is a full-time student at our school. **Note for former homeschoolers:** If your student is a full-time student at Dominion, you do not have to file a Homeschool Notification to your local superintendent for that student.

If your student is **not currently registered as a full-time student** at DA, you must register your children as being homeschooled. DA can provide **report card** documentation of classes taken upon request.

### Academic Probation

Students may be placed on **Academic Probation** whenever they have a grade of less than 65% in a class or classes, they have a GPA of less than 2.0, or the Administration deems it necessary to place them on **Academic Probation**. **Please note:** The GPA for seventh and eighth grade students will be determined by the GPA of the **core subjects** (grammar/composition, literature, science, math, history, and Bible). The student's parents/guardians will be notified of the Academic Probation in writing, either by email or postal mail.

At the end of two weeks, students will be eligible to get off **Academic Probation** if they have

maintained an overall GPA of 2.0 or higher AND they do not have a grade less than 65% in any class, or the Administration recommends removal from probation. In order to be released from **Academic Probation** the student must do the following:

- The student must show that the probation grade average has been raised to above 2.0 and/or that each individual class grade has been raised to above 65%.
- The student must also fill out and get all necessary signatures on the Eligibility Reinstatement Form obtained from the Office and turn this form in to the Senior Academic - Advisor

**Students on Academic Probation:**

- will be required to study during all breaks while on campus.
- will remain at DA during their regularly scheduled school day unless excused by the office.
- will NOT be allowed to utilize the computer lab during study hall without special permission.
- will NOT be eligible to play sports and/or participate in certain school activities, see below.
- Students on Academic Probation must sit at a study table in the study hall where they can be supervised in their study behaviors by the study hall monitor.

**Promotion Policy:** Students must have 70% to progress to the next course level. Students who do not earn a 70% may have to repeat the course.

**Late Assignments:** Three outstanding late assignments are grounds for removal from a given course.

**Grading Scale for Junior High and High School Students:**

A 93-100	C 73-77
A- 90-92	C- 70-72
B+ 88-89	D+ 68-69
B 83-87	D 63-67
B- 80-82	D- 60-62
C+ 78-79	F 59 and below

For the purpose of calculating GPA, no class, including AP or Honors, will have a weighted score.

**Grading Scale for Preparatory School Students:**

For K-2nd grade, as well as 3rd-6th grade humanities and STEM courses, the scale is:

- E - Excellent
- S - Satisfactory
- M - Making Progress
- N - Needs Improvement

For 3rd-6th grade core courses, the scale is the same as Junior High and High School.

### **Take-Home Test Procedures and Policies**

In order to make the most of our class time, we must take every opportunity to administer Take-Home tests proctored by the parents. Furthermore, the integrity of this procedure **MUST** be maintained. Students must provide proctor/parent signatures and adhere to the detailed instruction sheet stapled to the front of the test packet.

Instructions for students/proctors:

1. Remove the test from the envelope and make sure it is blank.
2. Note if there is a time limit.
3. After completion, tests must be returned to the same envelope and the seal of the envelope must be moistened and sealed shut. Stapling and taping are not acceptable.
4. Proctor: When the student finishes the test, please sign the form on the line **AND** sign across the sealed envelope on the back along the seal to indicate that you proctored the test.

**NO STUDENT IS PERMITTED TO HAVE QUIZZES OR TESTS PROCTORED BY STUDY HALL MONITOR EXCEPT THE HEAD OF THE SCHOOL.**

**Failure to turn in Take-Home tests on the DATE DUE will result in serious consequences.** If a student completed the Take-Home Test but “forgets” to bring it on the date due, he or she will be issued a yellow slip and a parent may bring it in by 4:15 that same day for full credit. Otherwise, if a student does not complete and return the test by the DATE DUE, he or she will receive a 0% on that test.

### **Number of homework “make-up” days after an absence**

Because of our unique education model, it is imperative that students do not get too behind in their work. These guidelines are intended to help ensure that students catch up with their work on a timeline that fosters success in their classes. Please don't hesitate to communicate with teachers about absences, especially in unique situations. Teachers reserve the right **NOT** to accept late homework if the student does not have an **EXCUSED** absence.

**For all classes:** Students **must** bring the assignment that was **due** on the day that they were absent on the day that they return to class (Unless special arrangements are made with the teacher).

For example:

- In a class that meets twice a week, if a student misses Monday, September 14th, they must bring the assignment that was **due** that Monday to class on Wednesday, September 16th.
- In a class that meets once a week, if a student misses Monday, September 14th, they must bring the assignment that was **due** Monday, September 14th to the next class on Monday, September 21st.

**For all classes:** Students have one week from the day they were absent to make-up **all** their work, including homework that was **assigned** during their absence (Unless special arrangements are made

with teachers).

For example:

- In a class that meets twice a week, Monday and Wednesday, if a student is absent Monday, September 14th, they must turn in the work **assigned** on Monday **and** Wednesday to class by Monday, September 21st.
- In a class that meets once a week, Monday, if a student is absent Monday, September 14th, they must turn in the work **assigned** on Monday to class on Monday, September 21st.
- ***Please note that for students with classes that meet only once a week, there is extra responsibility for them to find out their missing assignment and complete it before the next class.***

**For absences lasting more than one class period:** Please make special arrangements with the teacher, but the student should **always** return to class with the assignment that was due on the **first day** of class they missed.

Students who are absent are responsible to get their assignments that they missed and turn them in after the appropriate amount of time determined by this Handbook and the instructor. Assignments may be in a student's mailbox or in an envelope labeled with his name in the office. However, ultimately the responsibility of getting missed assignments falls on the student.

### **Weekly Assignment Sheets**

In our Collegiate-Model school, parents have a greater role in working with their student's academic life. The main avenue for the parent to fulfill their parental role is the daily or weekly student assignment sheet. Students will receive Assignment Sheets with detailed instructions OR each teacher will maintain an online classroom with posted assignments or a blog with accessible online assignments.

### **Extra-Curricular Activities**

All students taking courses at Dominion Academy must meet academic performance standards, as outlined in this Handbook, in order to continue participating in school-sponsored extracurricular activities. The following is a list of school activities affected by the eligibility standards, although other affected activities added during the school year may not appear on this list:

Athletics: Students may engage in team practice while on **academic probation**. However, they are not allowed to participate in athletic games, meets, or tournaments unless they are officially reinstated (the reinstatement form has been signed by the appropriate individuals and they are released by the Academic Dean and/or Head of School).

Student Government: All activities including meetings

National Honor Society: All activities including meetings

Cheerleading Events

The Stratford Trip: if a student is on academic probation at the time of the trip, he/she will not be eligible to participate in this activity. The money paid for the trip WILL NOT be refunded, unless another student attends in place of the ineligible student and pays all applicable fees.

Off-Campus privileges (restaurants, stores, etc.)

**Activities not typically affected** by eligibility standards are activities interrelated to academics including:

- Shakespeare Theatre performances
- Senior Ball
- Science Fair
- Some Field Trips

Students maintaining an average below a 2.0 GPA or 65% in any course will be put on a **two-week suspension** from participation in any extracurricular activities listed above beginning once the grade is issued by the teacher. Once the two week suspension is completed, students may receive full privileges. For athletics and cheerleading, this means that the student can participate in practices and fundraisers, but he or she cannot participate in games that fall within the two-week suspension.

In order to be reinstated to the activity, the student must do the following:

The student must show that the probation grade average has been raised to 2.0 or above.

The student must also fill out and get all necessary signatures on the Eligibility Reinstatement Form obtained from the Office to show to their extracurricular activity director or coach.

Students **dropping** a course after receiving a D or F will not be allowed to participate in extracurricular activities during the subsequent grading period. No refunds of activity fees will be given to students temporarily barred from participation due to academic or disciplinary problems.

### **Enrolling in Athletics Programs**

A student who is enrolled, part-time or full-time, at any brick-and-mortar high school, other than Dominion Academy, is ineligible for participation in any athletics programs at Dominion Academy except Martial Arts, which is run by an outside dojo. A student enrolled in an online school that has no athletic teams may petition the school for special permission to participate in our athletic programs.

### **Plagiarism and Cheating Policy**

**Plagiarism-** to take ideas or writings from someone else and present them as one's own. Examples might include using an encyclopedia for a resource to write a report and copying the exact words or even rearranging the author's words but claiming the report to be your own work. Claiming a work to be one's own certainly may include the use of other resources, but must be done with one's own ideas and writing skills.

### **Disciplinary Actions for Plagiarism**

**First offense:** Pink slip and the student must redo the assignment. There may be additional consequences at the discretion of the teacher/administration.

**Second offense:** Pink slip, major infraction with a resulting suspension or other disciplinary measure. The student is required to redo the assignment and be placed on disciplinary probation for two weeks or more.

**Third offense:** Student will come before the **Discipline Review Board** and may be recommended for expulsion.

**Cheating:** to act dishonestly; to practice fraud (a deception deliberately practiced in order to secure unfair or unlawful gain). Examples that could occur in a more open educational setting might include: copying ideas or word-for-word answers from another student's study sheet, or writing an answer down that was found in the back of a math book while claiming it to be their own. BOTH students who copy and students who allow others to copy their work will be held accountable for the cheating incident. Both students will receive a suspension or other disciplinary measure and a 0% on that assignment.

### **Disciplinary Actions for Cheating**

**First offense:** Pink slip, major infraction, with a resulting suspension or other disciplinary measure.

**Second offense:** Pink slip, with a resulting suspension or other disciplinary measure AND the student will receive a 0% on the assignment.

**Third Offense:** Student will come before the Discipline Review Board (Academic Director, Administration, and DA School Board) and may be recommended for expulsion.

### **Science Fair Policy**

Any student enrolled in a science class (7th grade science classes, Biology, Chemistry, or Physical Science) is required to participate in the Science Fair and must be present at the Science Fair event in February to give his or her presentation to the judges. There are no exceptions to this rule except extreme illness or a death in the family.

### **School Withdrawal Policy**

To withdraw from the school, parents should obtain the Withdrawal Form (available from the website or from the Office), and must arrange for required meetings, obtain required signatures, and deliver to the business office in order to be formally withdrawn. Students will be considered still enrolled in the school until the withdrawal form is filled out properly and turned into the office. Unless withdrawal is due to an emergency or to special circumstances, the following prorated refund schedule will be used, or the refund will be determined by the state in the event of EdChoice voucher use.

1. Withdrawal by the end of week two – 100% refund

2. Withdrawal by the end of week three – 80% refund
3. Withdrawal by the end of week four – 60% refund
4. Withdrawal by the end of week five – 40% refund
5. Withdrawal by the end of week six – 20% refund
6. Students withdrawing from a course after the sixth week of the **semester** will be charged full tuition for the remainder of that **semester** for each course.

Students withdrawing from academic classes after the end of week five of the semester, will receive **Withdraw/Passing (W/P)** or **Withdraw/Failing (W/F)** on their transcripts.

### **Adding or Dropping Classes**

If a parent or guardian wishes to add or drop a class from a student's enrollment, the parent should contact their student's Academic Director and complete an Add/Drop web form through FACTS Family Portal.

### **State Testing and Graduation Requirements**

Students in their junior year must take the ACT administered by Dominion Academy during the state-funded administration. DA is required to publish the aggregate test results for the junior class. In order to graduate from Dominion Academy, students must earn a remediation-free score on the ACT (as defined by the Ohio Department of Education). Students are allowed to take the ACT multiple times in order to meet this requirement.

## **Dominion Academy of Dayton Routine**

### **The Dominion Academy Weekly Newsletter**

During the school year, Dominion Academy of Dayton issues weekly electronic Newsletters with important information for parents. This is our main avenue of communication and it is vital that parents/guardians ensure they have signed up and are receiving the newsletter as soon as possible after enrolling a student or as close to the beginning of the school year as possible. Please sign up via the prompt on the right hand side of the DA homepage (<https://dominionacademy.org/parent-newsletters/>) or send an email to the office requesting to be added. Be sure to check spam/junk mail folders if you do not receive the newsletters. The most recent newsletter as well as back issues are accessible from the main page of the website.

### **Class Schedules**

Individual student class schedules will vary. Classes will be offered Monday through Friday. Please visit the website (<https://dominionacademy.org/forms-docs/>) for a current class schedule or request a copy from the school office.

### **Class Cancellations**

Emergency conditions may make it necessary to cancel classes in most cases due to inclement weather. Listen to WHIO 1290 AM radio or WHIO TV Channel 7 to learn about cancellations even if there is a remote possibility that classes will be canceled. We will contact you if there is a cancellation for any other reason.

### **Illness During the School Day**

If a student becomes ill during the day, he may be excused to go home. Parents will be contacted and expected to pick up their child. Please make sure the Emergency Contacts section of your online enrollment packet has correct home and work numbers and inform us whenever they change. Changes can be made by contacting the office or updating the Emergency Contacts web form through FACTS Family Portal.

### **Medication Guidelines**

- A Medication Administration Record form, signed by a physician, is required for any student to take prescription medications while at school.
- An Over-the-Counter Medication form, signed by a parent, is required for any student to take over the counter medication while at school.
- The following over-the-counter medications are kept on hand: Ibuprofen (200mg pills), Acetaminophen (325mg pills), Children's Tylenol (liquid), and cough drops, as well as any other over-the-counter medication deemed necessary by the school medical professional.
- Students needing medication are encouraged to receive it at home when possible and limit those medications given at school to those required to maintain health (i.e., inhalers, EpiPens, insulin, etc.).
- Students may receive medication in the office when needed. A staff member trained by a medical professional to administer medication can dispense medication according to parent and physician orders, and according to the school medication policy. All medication must be delivered to the school by a parent.
- All medications must be in their original container with a readable label.
- All medications will be stored and locked in the office, where students can get them when needed.
- Students are not permitted to carry or store any medications personally, prescribed or over the counter, while at school.
- Students may keep life-saving emergency medications with them (i.e., EpiPen, insulin, inhalers) with written permission from a physician to do so. (Note: There is a checkbox a physician can mark to grant permission for a student to have emergency medications with them at all times on the Medication Administration Record form).
- No new medication will be given until cleared by the school medical professional.
- Parents must renew medication orders annually and communicate medication changes to the school. Prescription medication changes also require written order changes from their physician.

### **Student Injury**

In the unlikely event of any physical injury, please make sure emergency medical forms are specific about what you would like us to do if professional care is required. We retain the right to seek professional help, including ambulance, doctor, emergency room service, etc. if it appears necessary. Parents will be financially responsible for services obtained on the child's behalf unless it is proven that the injury was a direct result of neglect on the part of Dominion Academy of Dayton. For such cases Christ the King Anglican Church retains liability insurance.

### **Field Trips**

When field trips are planned, parents will be informed concerning dates and details by the teacher

organizing the trip. All students must have signed Permission Slips on file in order to participate (see Appendix for sample).

### **Parent Teacher Conferences**

Dominion Academy of Dayton encourages all parents to attend the Parent and Teacher Conferences at the scheduled time.

### **Facilities Use**

As a ministry of Christ the King Anglican Church, Dominion Academy has the privilege of using the church's building for most all of its classes and activities. Because many ministries use the building, all events need to have dates approved by the school and church offices. All signage must have an approval from the Head of School prior to posting on church/school sites.

### **Back Lot Policies**

No student will be allowed on the back play area without an adult supervisor present.

Mondays-Fridays prep school students have the play area exclusively from 12:30 to 12:45. After this time upperclassmen will be allowed onto the lot.

Upperclassmen may not go from the play area to an off site location unless they have first signed-out at appropriate locations in the building.

All students leaving study hall for the backlot play area must sign out with the lunch room or study hall monitor and sign back in when returning to the building. (Prep school students who leave the building with a specified parent playtime volunteer and return with the same do not have to sign out).

Any equipment, clothing, snacks or drinks taken onto the back lot must be taken off the lot before leaving. The adult volunteer should help facilitate this.

General etiquette and appropriate conduct is expected in the play area with the same standard as in the building.

### **The Dominion Academy Senior Graduation Ball**

Dominion Academy holds an annual Spring Ball to further students' knowledge of protocol and etiquette at public functions such as formal dinners and/or dances and to honor the seniors through gifts, speeches and an individualized PowerPoint presentation.

#### *Expectations for the evening:*

- Dance-cards are used to ensure that each young lady rotates dances with ten or so young gentlemen throughout the evening.
- Only seniors are allowed to bring guests to this event. Young ladies may only invite gentlemen and gentlemen may only invite ladies.

Gowns shall hit below the knee with no slits hitting above the knee. Anyone who does not meet the dress code will not be allowed to enter the ball until they have corrected their attire.

### **Shakespeare Festival in Stratford, Ontario, Canada**

If space permits, students who do not attend our school are permitted to attend this trip as long as they provide one of their parents as a chaperone. Also, if circumstances permit, adult chaperones who are not teachers or parents may accompany the group at the discretion of the trip leader and school administration.

### **Morning Prayer**

Morning Prayer is an integral part of the curriculum of Dominion Academy of Dayton primarily because we adopt a Classical approach to educating. Just as in literature class we learn the whole tradition of world, English and American literature; and just as in music class we study and learn the tradition of great music; so in Morning Assembly students are taught the forms and content of historic Christian worship.

### **Purpose:**

- We pause in the middle of the morning on Mondays, Tuesdays and Thursday in an atmosphere of worship.
- Students are exposed to the fundamentals of Biblical worship.
- We learn and recite the Apostles' Creed, Athanasian Creed, and the Nicene Creed.
- We learn to sing Psalms and other Bible Hymns straight from the text of the Bible.
- Students are exposed to and sing the great hymns of the Church, including early Church hymns, some plainsong hymns, Reformation hymns and Psalms, and more recent hymns, psalm settings, and choruses.
- Finally, students become acquainted with many excellent prayers from the annals of Church history. These prayers are used in every Morning Assembly.

### **Who is Required to Attend**

All high school and junior high school students are required to attend Morning Assembly.

### **Wednesday Morning Chorale**

Chorale is offered on Wednesday mornings – 7:45-8:30 a.m. Students will spend 45 minutes exploring the technicalities and artistic subtleties of music. These weekly sessions will include:

- Physical and Vocal Warm-ups and “Wake-ups”
- Harmony – Learning to sing separate vocal parts, using real choral literature, modern worship songs, and historical hymns
- Artistry – Following a choral conductor, style, interpretation, dynamics, articulation
- Exploration of Vocal Music through History – Studying (and singing!) music from the Medieval, Renaissance, Baroque, Classical, Romantic, and Modern periods

# Emergency Procedures

## **Fire**

If you encounter a fire in your immediate area, leave the area and then call 911.

Egress routes are posted by the doors of each classroom. All students should stay with his or her class until the class arrives at the designated outdoor area. The teacher should be the last person to leave and should close the door and windows if possible.

Students should not re-enter the building for any reason until told to do so.

Follow all instructions of Emergency Personnel.

If you are caught in smoke, drop to the floor and crawl to the nearest exit using your shirt as a filter for breathing and cover your nose.

If you are trapped in a fire, close as many doors as possible between you and the fire

## **Tornado**

The Office Administrator will monitor weather during pending storms. If a Tornado Warning is issued, follow these procedures:

### Remain Calm

Egress routes for tornadoes are posted by the doors of each classroom. Students will remain in place until the Staff Member in charge instructs them to return to their classroom.

If you are trapped in an upper level during a tornado:

- move to an inner hallway
- find an interior room and lie down and cover your head on the wall farthest away from windows
